Town of Shaunavon

Water Use Policy

Preamble: In recognition of the importance of conserving water resources and promoting responsible water usage within the Town of Shaunavon, this policy is enacted to guide residents with regulating lawn irrigation.

1. **Definitions:**

   a) "Council" refers to the Municipal Council of the Town of Shaunavon.
   b) "Lawn irrigation" refers to the process of applying water to lawns and landscape

2. **Watering Guidelines**

a) To minimize water loss due to evaporation, lawn and/or garden irrigation shall only be conducted between the hours of 7:00 PM and 10:00 AM.
b) Lawn and/or garden irrigation shall not be done if water flow cannot be contained to the desired location. For example, if high winds, faulty sprinklers, or an over watering situation occurs resulting in property damage or excessive water loss on non grass or garden areas.

3. **Severability:**

a) If the Town of Shaunavon is witnessing unnecessary irrigation the Town will address this concern with the occupant of the property.

Enacted and passed by the Council of the Town of Shaunavon ....
